

Program/Services**Brief Description****➡Prevention/Early Intervention****Safe Alternatives for Youth**

Supports community based activities for youth that promote positive and responsible youth development.

Youth Sports Authority

Supports community based activities, with a focus of sports and recreations that promote positive and responsible youth development.

➡Diversion and Pre-Adjudication**First Time Juvenile Offender Program**

A diversion program targeting youth referred to the juvenile justice system for a first offense. Youth avoid the formal court proceedings and adjudication by completing various standard requirements including cooperation with a half-day community education program and monitoring services.

Inter-arts Exploration

Artistic opportunity for self-expression, exploration of obstacles, and increased access to other aspects of community life utilizing a multi-disciplinary artistic team for youth held in the Detention Center.

In-Home Monitoring Program

An intensive in-home program for alleged delinquent youth who are not an immediate risk to the community but are at risk for placement in detention or shelter care without additional supervision and support services.

Shelter Care Program

State licensed facilities providing short-term, supervised residential programming for youth who may not be returned home pursuant to a court order.

➡Post-Adjudication**Probation Services Network (PSN)**

A County operated network of community-based agencies certified to provide a variety of clinical and support services.

Responsible Alternative to Detention Sanctions program

Pilot since August 2009 to provide a community-based alternative to detention sanctions for youth who violate the conditions of their probation.

Sex Offender Treatment Program

Serves the needs of delinquent youth whose sex offending treatment needs can be met within the community. The program provides treatment modalities and service options including group, individual, and family counseling by licensed staff.

Alternative School Program (Day Treatment)

A non-residential alternative education program for delinquent youth in collaboration with Milwaukee Public Schools and youth serving agencies.

Targeted Monitoring Program (Firearm Offenders)

Provides intensive monitoring, structured programming and accountability in community-based settings targeting youth involved with firearms.

2007 Office of Juvenile Justice and Delinquency Prevention Program Award

Targeted Monitoring Program (Serious Chronic Offenders)	Provides intensive monitoring, structured programming and accountability in community-based settings targeting youth involved with serious or multiple offending behavior.
A True Aftercare Program	Provides individual and family support and services tailored to siblings and graduates of youth involved in court ordered targeted monitoring programs.
Group Home and Foster Care Placement	State licensed homes providing community-based alternative living arrangements for delinquent youth who cannot return home in the immediate future pursuant to a court order. Many of the delinquent youth are experiencing problems within their families, schools, and or in the community.
Wraparound Milwaukee Program	Wraparound Milwaukee serves families and their delinquent youth presenting serious emotional or mental health needs as identified by the juvenile justice system.

2009 Harvard University Innovations in Government Award

FOCUS Program	A multi-phase program utilizing collaborative efforts of a state licensed residential Type II facility, county probation supervision, and mental health services provided by Wraparound Milwaukee.
